"In other words, [A]ll public records are subject to disclosure unless the Legislature has expressly provided to the contrary." Williams v. Superior Court, 5 Cal. 4th 337 (1993). This presumption finds further support in the California Constitution, as amended by Proposition 59 in 2004. "A statute, court rule, or other authority, including those in effect on the effective date of this subdivision, shall be broadly construed if it furthers the people's right of access, and narrowly construed if it limits the right of access." Cal. Const. Art. 1 § 3(b)(2) (emphasis added). Pursuant to the San Francisco Sunshine Ordinance, I ask for a determination on this request within 24 hours. Pursuant to the California Public Records Act, I ask for a determination on this request within 10 days of your receipt of it, and an even prompter reply if you can make that determination without having to review the records in question. If you determine that any or all of the information qualifies for an exemption from disclosure, I ask you to note whether the exemption is discretionary, and if so whether it is necessary in this case to exercise your discretion to withhold the information. If you determine that some but not all of the information is exempt from disclosure and that you intend to withhold it, I ask that you redact it for the time being and make the rest available as requested. In any event, please provide a signed notification citing the legal authorities on which you rely if you determine that any or all of the information is exempt and will not be disclosed. If I can provide any clarification that will help expedite your attention to my request, please contact me via email. I ask that you please apply a fee waiver to this request. Please email the records to me at [REDACTED] and/or post them online to this records center. If my request for a fee waiver is denied, I ask that you please notify me of any duplication costs exceeding \$50 before you duplicate the records so that I may decide which records I want copied. Thank you for your time and attention to this matter. If you have any questions, please do not hesitate to be in touch via email, the records center, or by phone at [REDACTED] Thank you.</p>
